## NEWS RELEASE

June 6, 2023  
Prestige International Group

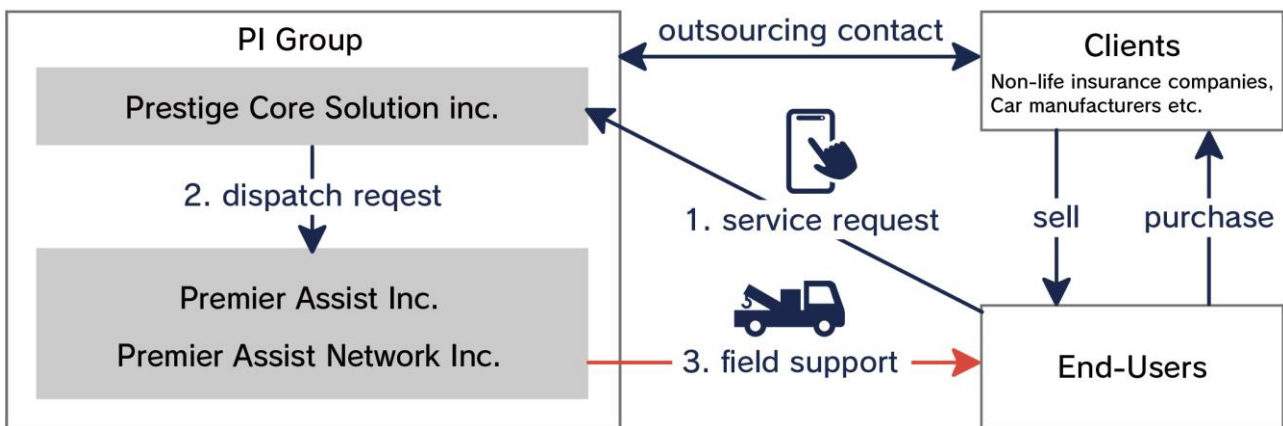

### “On-Site EV Emergency Recharging Service” Expansion of the Coverage Area to 47 Prefectures

Prestige International Inc. (headquarters: Chiyoda-ku, Tokyo; CEO: Shinichi Tamagami; hereinafter “PI”) is pleased to announce that it has completed the nationwide rollout of the “On-Site EV Emergency Recharging Service”, which was released on December 2, 2022 (Japanese only), with the deployment of recharging equipment in 47 prefectures.

“On-Site EV Emergency Recharging Service” is a service that enables EVs to drive on their own in a short period of time by providing on-site emergency recharging when an EV runs out of power, without having to be towed to a recharging station or other location.

In 2022, PREMIER Assist service centers\* located nationwide began operation in phases. As of May 2023, 46 tow trucks capable of supplying power to EVs 68 portable battery chargers have been deployed. As a result, the service centers in 95 locations in 47 prefectures are fully operational.

\* Includes franchisees centers etc.
